

# What's in your Yazzii?

## *The Satin Collection*

The Yazzii range of organisers is well-known in the craft and gift industry due to their innovative design, lasting durability, quality and wonderful assorted fabrics including silk, standard polycotton and tapestry. The new fabrics and designs make them a popular gift item. Yazzii have developed a soft storage solution comprised of high quality and trendy organisers of different shapes and sizes with pocket configurations and see-through panels that should meet all your needs and be appreciated by women of any age! The multifunctional craft organisers are a perfect travelling companion for women on the move. Ideal for craft storage, jewellery and make-up, they hold and protect all your craft necessities and personal items without damage and in great style!
